

Mouse & the Motorcycle Project

Guess What! Ralph has decided to leave the *Mountain View Inn*. Your project will be to build a house for Ralph, using materials readily available in your home. The finished house should be no smaller than 12 inches by 12 inches. The house may or may not have furniture or a garage for his motorcycle; but it should provide shelter and protection from predators for this very private mouse. While you may receive some help on this project, YOU should be the primary builder. Finished houses can be brought in at any time, but will be due on Tuesday, Jan. 31.

class we will be working on a persuasive paper to convince Ralph to choose your home to move into when he arrives in Hilton Head/Bluffton. Why will Ralph like living in your bedroom? Why will Ralph like your family? Why is South Carolina a good place for for your mouse to live? You will orally present this writing to the class on Tuesday, Jan. 31. Happy building and persuading!
